Rehearsal and Performance Schedule with Instructions
Our 30th annual/anniversary production of THE NUTCRACKER is fast approaching!!!

Dancers are ready and costumes are being sent home!!! If your dancer has not yet received their costume in full, we haven't forgotten them; they will get it soon, or at pictures. **Please read this picture note in full, and very carefully.** Then, if you have any specific questions or problems, please don't hesitate to ask Miss Margene.

The next few weeks are very important! It is so important that each dancer attend each class and rehearsals for their practice, both for themselves and for their partners or other members of each dance! We depend on each other to have positive attitudes and to make this a wonderful experience for everyone involved.

*****Pictures will be taken at the STUDIO ON FRIDAY, NOV. 10th & SATURDAY, NOV. 11th.**

If you choose to purchase a picture, **the price is \$18.00**, which includes a 5x7 class picture as well as a 5x7 individual dance picture in a keepsake personalized folder.

There will also be a picture CD available for an additional \$5.00. This option has been very popular the past 10 years.

Please see your Photo flyer for more information and additional options & Packages....

Picture order forms will come home with your dancers next week.

PICTURES MUST BE PAID FOR BEFORE THEIR PICTURE WILL BE TAKEN!

Please make your checks out to JBP Photography and send them along with one order form for each dancer with your dancer TO CLASS THAT DAY!

If you do not order a picture, your dancer still needs to be there for our Nutcracker Portrait Wall and our history book, but **it is a very important rehearsal, as well!!!**

Your dancer needs to wear their costume, make-up and hair the way it will be for the performance.

*****Please make sure each costume is pressed or steamed and mended if it needs to be.**

FOR PICTURES:

Dancers need to arrive on time! I have tried very hard to accommodate everyone's schedules as they were brought to my attention.

Dancers will get their headpieces and extra costume pieces on and go directly into pictures. We will be on a very strict schedule so please be on time!

Please have their hair, make-up & dance costumes on when they arrive at the studio.

Please make sure costumes are pressed or steamed each time they are worn!!

There needs to be a picture order form for each class picture ordered...

Extra forms will be in the lobby area for you to fill out and make your payment.

NO Parents will be allowed in the studio or picture rooms...there will be mother volunteers to help with each individual class.
