We love keeping our children healthy at preschool!

****"Show 'n Tell" is the first week of the month at preschool.**

They are welcome to bring something from home that they will love to tell their class about.

****"Snack Time" is a time for each student to share with their class.**

Please sign up for snacks 2 times throughout the year on one of your child's preschool days. Please bring 60 snacks...enough for all 3 classes.

They may include store purchased: fish crackers, animal, soda or graham crackers, fruit snacks, fruit leather, granola bars (we cut these in half), rice krispie treats, grapes, packaged-pre cut apples (we split in at least 4 or 5 servings), string cheese, etc.

Please, because of allergies.....NO PEANUT BUTTER ANYTHING!

****"Birthdays" Parents are welcome to come into class on or near your child's birthday**

at 10:00am to talk about your special Birthday boy or girl. You are welcome to bring pictures, or a poster with favorite activities and favorite things. If you choose to bring a "take-home treat" to share, please make it something small to go in their "cubbies" to go home. Please....NO cake or cupcakes...they are just too messy to have at preschool.

****"Cubbies" Please remind your preschooler each time you drop them off where their "Cubbie" is. Please give them hints to find it.**

**"Cubbies" are for their work each day, along with their "show 'n tells",
Not their coats and back packs. They need to be hung up on the hooks.**
